## SIMAGRI AGRICULTURAL SHOW

This week took place the 23th SimAgri Annual Show. For this new edition we added no new manufacturer but some new models, they are now available in outlets.

Concerning the auctions, there has been a lot of sold models, including some at rather high prices.

Finally, the traditionnal cheese Contests have rewarded the best farmers for their productions. They will thus be able to sell their cheese to higher prices until the next Show.

We'll see you in a season for the 22th Edition of the Agricultural SimAgri Show.

## EVENEMENT SPACE 2010

Like we did last year, SimAgri will be present at the SPACE 2010 (<http://space.fr>) in Rennes from the **14th until the 17th of september**.

During these 4 days, you will have the opportunity meet the SimAgri Team at the **open air stall P8** (near door D, same spot than last year). There we will have computers with free access and surprises for those of you who will come and visit us.

Agricultural miniatures will also be sold there by UniversMini (<http://www.universmini.com>).
