GENETISIM SHOW

-Also, the national GenetiSim Show is taking place this week. The best animals at national level will be rewarded. All the animals presented during these national contests can be auctionned on sunday. And last but not least, AICs can buy and sell doses from each other.

Good luck to you all ,

ANIMALS

Sheltered :

All species but buffalos

Free range :

Buffalos (buffalo ration),
meat cattle and sheep
(winter ration).

The cold season is here,
don't forget to feed
animals you leave
outdoors with buffalo or
winter rations.

SIMAGRI NEWS

-In a few days from now Regional Agricultural Cooperatives (RACs) will be able to make and sell animal rations. As a breeder you'll be able to feed your livestock either with your own harvests or with foodstuff you'll buy from the SimAgri Cooperative or from the RACs.

-The end of the year 24 is near and we would like to thank you all for playing our game. You are still many managing regularly your farms.

Good game and happy holidays to you all,

THE SHOP

SIMAGRI CONTEST

-This **Sunday 18th of July 2010** a lottery draw will take place. The prizes will be 3 one year pass. Do not forget to sign up and good luck to you all !!!

- INFO FOR THE ANNUAL SHOW CHEESE CONTESTS -

If you plan to sign up your cheeses for the coming Annual Show contests, here are some important info and dates :

-There are 2 categories, "**Artisanal Cheese**" and "**Industrial Cheese**".

- This competition will reward the best cheese for each region/Province and this for each cheese.

- For cheeses produced at national level, there will be as many rewards as there are regions/provinces.

- Each farmer can exhibit only **a one kilo sample** per cheese. Of course he can exhibit samples of the different cheeses he produces.

- The sample must be optimally matured to be registered for the competition.

- The cheese Shelf Life (SL) must not be exceeded on the day of the competition.

- Samples brought for the exhibition are lost.Each farmer who wants to exhibit cheese has to pay subscription and registration rights :

120 euros per sample exhibited

- Sample deposit dates :

Type of cheese	Sample deposit date
Goat Cheese (GC)	7th February to 1st March 23:00 (server time)
Soft Ripened Mody Cheese (SRMC)	7th February to 2nd March 23:00 (server time)
Soft Rind Washed Cheese (SRWC)	7th February to 3rd March 23:00 (server time)
Blue Cheese (BC)	7th February to 4th March 23:00 (server time)
Pressed Uncooked Cheese (PUC)	7th February to 5th March 23:00 (server time)
Presse Cooked Cheese (PCC)	7th February to 6th March 23:00 (server time)

Keep these dates in mind if you want to sign your cheeses up for the contests. Be careful, your cheese samples Shelf Life is important too. Your cheese must be at its maximum maturation when you will sign it up.

You can already plan your production and maturation process to make sure your cheese will be ready for the contests.

- Exhibitions Calendar :

Type of cheese	Exhibition date
Goat Cheese (GC)	2nd March (date SimAgri)
Soft Ripened Mody Cheese (SRMC)	3rd March (date SimAgri)
Soft Rind Washed Cheese (SRWC)	4th March (date SimAgri)
Blue Cheese (BC)	5th March (date SimAgri)
Pressed Uncooked Cheese (PUC)	6th March (date SimAgri)
Presse Cooked Cheese (PCC)	7th March (date SimAgri)

For each cheese, only one reward, **The Golden Medal**. The medal is given to the player winner of the contest and allows him to sell a higher price this cheese for a whole year, that is from the **1st of April of the current year until the 7th of March** of the following year.

Good luck to you all,
