SIMAGRI NEWS

This week, we will work on the production and sale of market gardening and tobacco plants.

Good game to you all,

EVENEMENT SPACE 2010

Like we did last year, SimAgri will be present at the SPACE 2010 (<http://space.fr>) in Rennes from the **14th until the 17th of september**.

During these 4 days, you will have the opportunity meet the SimAgri Team at the **open air stall P8** (near door D, same spot than last year). There we will have computers with free access and surprises for those of you who will come and visit us.

Agricultural miniatures will also be sold there by UniversMini (<http://www.universmini.com>).

SHARED EQUIPMENT : CHANGES

Starting 1st of January 26, there will be a some changes to the shared equipmen,t like :

- It will become impossible to use shared equipment in a FWF.
- The use of shared equipment will depends on your investment. With an investment of 50%, you will be able to use it up to 50% of its APs (this is not the case so far).
- How many shared equipment you have is and will stay unlimited.

For example, a farm with 15 machines, 5 of them being shared, will be able to use only 10 for its FWF and 5 only for its own works. Thank you for taking this changes into account for the future.

Good game to you all,
