September is here and you can start preparing your animals for the regional contests. During this week, you are given a chance to raise their "contest" stat. The higher this stat is, the better the grade they'll during the contests :

### GenetiSim Show information

## SIMAGRI NEWS

Our servers hardware will be modified this week to remediate the slow downs we faced the last few weeks.

Concerning breeders, a new feature will be added soon, the private market. It will allow breeders to sell an animal or even several animals directly to another player without using the cooperative market. Also another species will be added soon that will use woody meadows.

Good game to you all,

## ANIMALS

Sheltered :

None

Free range :

Buffalos  
Cattle  
Sheeps  
Pigs

Goats will need to be sheltered by the end of septembre 20.
